

Power BI Training Course Content

Module 1 → Section 1: Power BI Installation

Unit 1 ➤ Installation

Module 2 → Section 2: Power BI OverView

Unit 1 ➤ The business Challenge - Who Gets The Annual Bonus?

Unit 2 ➤ Connecting Power BI to a Data File - CSV File

Unit 3 ➤ Navigating Power BI

Unit 4 ➤ Drilling down and up in hierarchies

Unit 5 ➤ Advanced drilling in hierarchies

Unit 6 ➤ Adding Colours

Unit 7 ➤ Adding A Calculated Column

Unit 8 ➤ Adding Labels and Formatting

Module 3 → Section 3: Time series, Aggregation, and Filters

Unit 1 ➤ Downloading and connecting to the dataset

Unit 2 ➤ Working with time series

Unit 3 ➤ Understanding aggregation and granularity

Unit 4 ➤ Creating an area chart & learning about highlighting

Unit 5 ➤ Filters and Slicers in Power BI

Module 4 → Section 4: Maps, Scatterplots and Interactive BI Reports

Unit 1 ➤ Joining data in Power BI

Unit 2 » Understanding how LEFT, RIGHT, INNER, and OUTER joins work

Unit 3 » Joins with duplicate values

Unit 4 » Joining on multiple fields

Unit 5 » Creating a map, working with hierarchies, lats and lons

Unit 6 » Calculated Columns vs Calculated Measures in Power BI

Unit 7 » Creating a scatter plot

Unit 8 » Combining charts, filters and slicers

Unit 9 » Adding a Donut Chart

Module 5 → Section 5: Creating an Interactive Power BI Report

Unit 1 » Downloading the dataset and connecting Power BI

Unit 2 » Mapping: How To Set Geographical Roles

Unit 3 » Creating Table Calculations for Gender

Unit 4 » Creating Bins and Distributions for Age

Unit 5 » Creating Bins and Distributions for Balance

Unit 6 » How to create a Tree map chart

Unit 7 » Creating a Customer Segmentation Dashboard

Unit 8 » Controlling Report Interactivity

Unit 9 » Analyzing the Customer Segmentation Dashboard

Module 6 → Section 6: Custom Visuals

Unit 1 » The Challenge: Visualizing the European Debt Crisis

Unit 2 » Installing a Custom Visual for Power BI

Unit 3 » Mechanics of a Chord Chart

Unit 4 ➤ Setting up the second Chord Chart

Unit 5 ➤ Adding Tree maps

Unit 6 ➤ Exploring the visualization
