

SAP ABAP TRAINING

Self-Learning & Online Training

Duration: 30-40 (Hours)

✓ **How long will it take to learn SAP ABAP?**

30-40 hours

It actually depends on how much time that you going to put in and at what level you want to learn.

✓ **What is a prerequisite of SAP ABAP?**

SAP ABAP is not dependent on any other programming language's. if you don't know the programming language's like C, C++. no problem. You can learn easily and mostly depend upon the faculty.
